Progress is being made on writing the by-laws and standing rules of our soon to be merged Northeast/New England Region. A draft has been provided to each Branch for review and ratification should be able to take place during the annual convention in Groton. Northeast and New England Regions will merge effective at the close of the FRA National Convention in Chattanooga, TN in October.

UNIT 42 NEWS

The New England Region has certainly had its share of snow this year. Last year we were often able to run around in shirt sleeves, but it certainly ain’t the case this winter. Bad enough we were neck deep in snow, but it was windy and cold. During the “Blizzard of 2013”, the trees in my backyard (and I have several of them) were a-swaying and a-moaning – at one point, I thought we would have one in our kitchen!!!! Where I live in Massachusetts, we were very fortunate not to lose power. But I know several of our members were not so lucky. Poor Vivian Flade stayed dressed and wrapped in a blanket!!!! Oh well, it is middle of March. HOPEFULLY, spring is not far away. Darn that Punxsutawney Phil – He was sooo wrong AGAIN.

Even though we are only meeting for lunch at Gregg’s once a month instead of holding a regular meeting, we still collect cell phones, eyeglasses, box tops and Campbell soup labels. We also collect flags that need to be disposed of in the proper fashion. Contact me, Dot Crouch, or Eileen Beno. We continue to donate to the North Kingstown food pantry at Christmas and Easter.

The members have thoroughly enjoyed meeting for lunch. We sit and chat about the things that “girls” talk about…. Watch out guys!!! If there is anything new on the Regional or National level, I try and fill them in. It would be great if more members would be able to come even if it is once in a while. We paid our respects to PNP Betty Stepp who passed away in February even though the Unit Charter wasn’t available. Please ask someone in your family to call us if you are sick or just need someone to chat with. When a Unit member passes, the Unit performs a ritual as our way of saying good-bye. At the National Convention, the Auxiliary performs a Memorial Service for all those who died during the year (Branch and Unit Members). This year the National Chaplain will present a slideshow of pictures accompanied by music of all deceased members. The East Coast Region has done this for several years and it is a very moving ceremony. If you would please send me a picture of yourself so that I can keep it on file.

At the end of this Association Year, the New England Region will be no more. We will be joining forces with the Northeast Region. There are four Units in New England and three in Northeast. It will be a challenge but both Regions are looking forward to it. The Northeast Region in days gone by had a lot of territory to cover, but here in New England, it was conceivable to visit a Unit for a meeting and return in the same day. We were like one big family. To say the least, we were spoiled. BUT, tomorrow is a new day and new experiences.

I will be attending the New England Mid-Year meeting on 30 March 2013 in Hudson NH hosted by Branch 338. The Northeast Mid-Year will be held 19-20 April 2013 in Lakehurst, NJ. Then I will be participate in the Pilgrimage to the Tombs of the Unknown and the Mast of the Maine from 24-28 April 2013.

To all who are celebrating a happy occasion, have fun; to those who are sick, speedy recovery; and to those who have lost someone close, you are in our prayers.

In Loyalty, Protection and Service,

Cindy
